JOB DESCRIPTION

JOB TITLE	Workshop Engineer – Full Time
REPORTS TO	Group Service Manager
LOCATION	Markfield

Job Purpose:

BTE Plant Sales are looking for a motivated and enthusiastic Workshop Engineer to join the BTE team at our Head Office in Markfield.

You will be working in a fast-paced, construction workshop environment and should have the ability to carry out multiple tasks at once and so be very organised. You will be dealing with all types of plant machinery such as excavators, dumpers, rollers and telehandlers.

Reporting to the Group Service Manager you will be able to work on your own and as part of the team.

Main Responsibilities:

- Engine rebuilds
- Hydraulic circuits
- Electrical circuits
- Fault finding
- Following job cards accurately and logging information for the Aftersales team

Key Skills & Requirements:

Essential:

- Previous experience as a Workshop Engineer
- Work well under pressure and retain a positive attitude
- Excellent communication skills both verbal and written
- Excellent attention to detail
- Willingness to learn and develop

Preferable:

- Experience in the construction and/or agricultural industry
- Mechanical/fitter qualifications
- Reliable and punctual

This is a full-time position and the hours are 8:00am – 16:30pm. Competitive salary, dependant on experience.

If this sounds like the role for you then we would love to hear from you! Please email your CV and a cover letter to jobs@bteplantsales.com and we will be in touch.
